Your Honor,

please pardon this interruption of your time. However I find myself in need of the assistance of the court. I have not only been falsely accused of several crimes that never happened, by way of an arrest warrant you will note by the outline and narrative alike it is my intention to file suit from here forward.

- ① 1<sup>st</sup> out of 138 pages of the preliminary hearing it does not even come close to *Prima facie*. However I do not wish to fight the case or charges here.

I'm suing for the injustice and cruel and unusual treatment thus far.

- ② I was housed over 80 days in the Gym at the Blair County Prison with 1 toilet, 1 sink and 1 shower for 40 inmates to share.

The lights stay on all night, and during the winter months the air was kept blowing 24/7 at a low temperature.

There was no hot water and we were given two blankets to try to protect ourself from the harsh cold temperature.

③ I was temporary housed on (A) block in cell #2, where there was human feces and urine and trash all over when I was placed there all this, and I've been here 30 months, you will note your Honor, in the coming pages.

Just a few ways in which my rights have been violated, again I am not pleading my case I'm defending my rights.

I want my name back please, assist me. The cases began with 681-2022 and a misguided narrative created by detective Eric Houston of the Altoona Police Dept. After almost a year later comes cases as follows: NO. 681, 1909, 2076, 2077, 2094 of 2022.

I've lost my Restaurant, Lounge and Pastoral permission.

If you could tell me where and how much to send and how to write the check out, it will be done.

Detective Houston on page 6 of the incident report paragraph 1, you stated that you interviewed Ms. Clark while she was incarcerated in BCP, and that Ms. Clark recounted that she met Donald Dargan through Sean Atkins, after Atkins lost his apartment and was residing with her at 201 E 2nd Ave Apt. 1.

And Ms. Clark went on stating that sometime in January 2021, Dargan was brought to the residence by Atkins. to by methamphetamine which is a direct contradiction to what was stated on page 2 of the incident report.

The affidavit of probable cause state she was bought to my house to by drugs, which stands the reason my bail reduction were denied on false pretense.

And another reason my motion has been denied is a clear contradiction of the affidavit of probable cause found on page 6 and 7 and 8 which naritates the eledged events that Bri Allen came to my house on 6<sup>th</sup> Ave 3<sup>rd</sup> floor, Altoon P.A 16602, which is not what she said at the Preliminary hearing in which she stated she has never been or ever known me to live in on the 3<sup>rd</sup> floor anywhere, yet this is what I ~~am~~ am currently incarcerated for over 850 days without continuance sought on my behalf, which clearly shows I have been deprived of my U.S & P.A 6<sup>th</sup> Amendment of my constitutional rights.

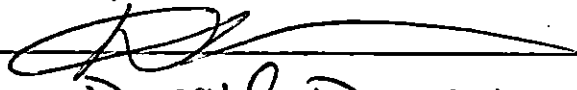

Several accusation concerning my involvement in this alleged corrupted organization has not been corroborated by any two people out of at least 25 people as far as the incident report nor the affidavit of probable cause.

It is now my intent to start a lawsuit against Blair County and the D.A. office for malicious prosecution, in which they have denied me the following amendments:

6th it states that I have the right to a speedy trial within 365 days. Along side my 8th, 14th & 2nd, 9th & 13th amendment and the way this is done is the DA and President judge are not only on the prison board in Blair County, but they are both on my case. The detective works for the drug task force and the DA is a board member in operation out town which is supplying the overtime pay for the drug task force.

According to the Frank rule. I find detective Erick Houston in violation of the same. I hereby request the courts assistant in filing a federal lawsuit in the sum of 18 million dollars for reasons as follow.

- 1 My false arrest
- 2 Defamation of my character
- 3 Malicious prosecution
- 4 Cruel and unusual punishment
- 5 Falsifying statement
- 6 Violation of my U.S and PA constitutional rights  
2, 4, 6, 8, 9, 13, Amendment

  
Donald Dargan Pro, se
